County Councillor Freddie Allgood, PCSO Owen Reeves, six members of the public, Parish Clerk Nicki Oliver

The business to be transacted at that meeting will be:

- 1. To receive apologies for absence:** Chris Cousin, Lesley Dennis.
- 2. To receive declarations of interest regarding agenda items:** none.
- 3. To adjourn meeting to allow participation by members of the public.**

Members of the public raised questions about road cleaning, the need for street lights to be repaired and for salting to be carried out in Bluebell Way. All items are being pursued by the Highways Chairman and Clerk.

In response to a question about financial accounting the Chairman assured the resident that all expenditure is accounted for properly.

3.1 Report from Meon Valley Safer Neighbourhood Team and to receive any concerns from residents PCSO Owen Reeves reported a slight upturn in rowdy and inconsiderate behaviour at half term, most of the young people involved are from outside Whiteley. Tickets have been issued for inconsiderate parking in Parkway. Cctv records are being checked to try and identify those responsible for a number of graffiti attacks in Whiteley.

3.2 Report from County Councillor: a report was circulated prior to the meeting. In response to questions Cllr Allgood advised that at least 2000 houses will need to be provided in North Whiteley to justify a new secondary school.

Cllr Allgood advised that when the results of the Saturn study are available, only those residents likely to be affected by proposed road openings / closures will be asked for their views. The Chairman suggested that given the findings of the Parish Plan questionnaire, the Parish Council would need to consult all Whiteley residents on any highway/road proposals.

Cllr Allgood confirmed that £50K has been allowed in next year's budget (2009/10) for the Whiteley youth facility, if more is needed it will be reviewed, probably in June. Having now furnished Urban Space Management with all the necessary site information an outline proposal will be produced and forwarded to PC for consideration. Once our comments have been received by the company they will produce a detailed costing and drawings. This will form the basis for a Business Plan to be submitted to WCC by Parish Council.

Cllr Allgood will look into a potential misunderstanding in the last WCC Cabinet minutes that suggests the youth building and community hub have been confused.

3.3 Reports from District Councillors: Cllr Achwal circulated a report at the meeting.

3.4 Chairman's announcements

The Chairman, Cllr Goves and Clerk will attend the WCC LDF Cabinet meeting on 6th March on behalf of the Parish Council.

A report from the Merry-go-Round Children's Centre was circulated. Cllr Hatch has been appointed as a community governor. It was noted that the Parish Council had not been asked to nominate a governor, and it would seem more appropriate that the Children's Centre should fund expenses and not the Parish Council.
